

babybreakout rules

There are two players.

Each player will take turns picking a card

Move Number of spots based on card.

This is coin pick up.

you can spend coins on cards when you land on this.
You do not have to use it,

This is a respawn point.

When you land one this, you are **DEAD** You have to go back to the last respawn point.

When you land on FIGHT you can use a weapon to stay in your spot
(if you dont have a weapon, move to last respawn point.)

This is weapon pick up.

When you land on this, you can pick a free card.
You do not have to use it.

When you land on a star. Move to the next heart.
