

"Plants are not the only things that get harvested around here..."

BABY BREAKOUT

Test tube babies B23 and B16 wake up in an evil laboratory where they must defeat cloned hybrids and evil scientist that want to harvest their organs for the "1%".

They must work together using B16's tallness and weight, while using little B23's short stature for high throws and small spaces.

**The babies join forces and
ESCAPE TO LIBERATION!**
